From: €20,000/Week

Luxury design chalet in Chamonix with stunning views

10 Guests • 5 Bedrooms • 535 m² / 5758 ft

This luxurious chalet in Chamonix sleeps up to ten guests in five bedrooms, all with en-suite bathrooms. The chalet provides a modern variation to traditional alpine architecture with its large panoramic windows surrounding the vast living spaces and an open roof terrace offering the most gorgeous views of Mont Blanc. Located on the outskirts of the golf course, nestled at the bottom of the sunny south facing mountain side and just a stone throw away from the Flegere cable car, the chalet provides the perfect luxury winter location.

Outdoor swimming pool with views of the Mont Blanc

The chalet has its own outdoor pool (summer only) and unique roof terrace with stunning views of the Mont Blanc Massif. The Chalet also boasts a Cinema Room and TV snug, Sauna, Relaxation and Massage area, exterior hot tub and outdoor heated swimming pool. There is Wi-Fi throughout and lots of those little touches that you would expect in a five star luxury chalet.

Lots of luxurious elements

The chalet has been designed to move away from the traditional Swiss style as it encompasses a modern open plan living style, with lots of luxurious elements. This cleverly designed and beautifully furnished, chalet provides a truly unique setting.

Chalet staff to ensure everything goes smoothly

The chalet comes with a private chef, hostess and driver, daily housekeeping and a chalet manager to ensure everything goes smoothly and to oversee all aspects of your stay while in resort. You will enjoy a delicious _____

breakfast, afternoon tea with freshly baked cakes and biscuits, and a sumptuous four course evening meal. A champagne and canapé reception on your first evening lets you meet the chalet team and run through any questions you have about the chalet or your stay in Chamonix.
